

Golpe Bajo

Silvana and Andres have been married for twenty years, they have daughter (Gina). Silvana loves her husband, but their relationship keeps deteriorating, they argue constantly due to Andres' uncontrollable attitude, he feels inferior and has low self esteem, because Silvana posses and excellent fashion designing talent, he uses her and makes her design many projects for his job with the sole purpose of getting him a better position within his company.

Leonard the company's CEO meets Silvana at a company party and becomes interested and tries to get her. He manipulates Andres and offers goods with the only condition of having Silvana close to him. Rodrigo, Leonardo's son meets Silvana and falls in love with her.
